Specifically, no later than 18 months from the effective date of the rule, each PHA must implement a “Smoke-Free” policy banning the use of “prohibited tobacco products” in all public housing living units, indoor common areas in public housing, and in PHA administrative office buildings. The Smoke-Free policy must also extend to all outdoor areas up to 25 feet from the public housing and administrative office buildings.

### **II. PURPOSE OF POLICY**

- A. This Smoke-Free tobacco free policy is intended to benefit the Housing Authority and all of its public housing residents, visitors, and staff by mitigating (i) the irritation and known adverse health effects of secondhand smoke; (ii) the increased maintenance, cleaning, and redecorating costs from smoking; (iii) the increased risk of fire from smoking; and (iv) the higher costs of fire insurance for a non-Smoke-Free building.

### **III. DEFINITIONS**

- A. “Smoking” means inhaling, exhaling, burning, or carrying any lighted or heated cigar, cigarette, or pipe, or any other lighted or heated tobacco or plant product intended for inhalation, including hookahs and marijuana, whether natural or synthetic, in any manner or in any form. “Smoking” also includes the use of an electronic smoking device which creates an aerosol or vapor, in any manner or in any form.

However, the Housing Authority will take reasonable steps to enforce the Policy. The Housing Authority is not required to take steps in response to smoking in violation of this Policy unless the Housing Authority either has actual knowledge of the smoking and the identity of the responsible Tenant or has been given written notice of the smoking.

XI. HOUSING AUTHORITY DISCLAIMER

- A. The Housing Authority's adoption of this Smoke-Free Policy does not in any way change the standard of care that the Housing Authority would have to render buildings and premises designated as Smoke-Free any safer, more habitable, or improved in terms of air quality standards than any other rental premises. The Housing Authority specifically disclaims any implied or express warranties that the building, common areas, or Tenants' premises will have any higher or improved air quality standards than any other rental property. The Housing Authority cannot and does not warranty or promise that the rental premises or common areas will be free from secondhand smoke or vapor. The Housing Authority's ability to police, monitor, or enforce the provisions of this Policy is dependent in significant part on voluntary compliance by Tenants and their guests/visitors.
